Company Profile

Dante O. Benini Founder Architect- Chairman

Luca Gonzo Senior partner Architect – Managing Director

Student of Scarpa and Niemeyer, Dante O. Benini carried out building projects worldwide co-operating with Frank O. Gehry, Richard Meier, Arup and Daniel Libeskind too.

In 1997 he founded "Dante O. Benini & Partners Architects" of which he is at present Leader Partner and Chairman together with Luca Gonzo Senior Partner and Managing Director.

DOBP practice with Headquarters in Milan is present in London and Istanbul has specific departments dedicated to architectural project design, urban planning, interior design, yacht design.

A staff of 60 people carries out, worldwide, complete projects of urban areas, major companies headquarters, industrial laboratories and shopping centers, exclusive clubs and private houses, yachts, as well as object design.

Each project is designed on the basis of technical, economic and environmental sustainability, within a quality architectural context based on details care.

DOBP practice has been awarded several architectural and design prizes and mentions (the latest it has been awarded Good Design Award Chicago Atheneum for Teso Radiator Design), won or was classified in international competitions and is invited to hold workshops and conferences both in Italy and abroad.

DOBP practice works have been often published and Bruno Zevi, Cesare De Seta, Cesare Casati, Ada Francesca Marcianò, Renato Pedio, Roberto Guiducci, Giampiero Bosoni, Murizio Vitta and Luigi Prestinenza Puglisi are among the authors of articles about the practice.

Please see DOBP company practice profile brochure and books published on DOBP works attached to this profile.
